CLR-ATMOSPHERE

Odorless Deodorizing Spray

CLR-ATMOSPHERE is the product of choice when you don't want to cover odors with chemically-based fragrances. It is odorless and leaves no odor behind.

This plant-based formula creates a covalent bonding process as it comes in contact with odor causing molecules. That bond permanently encapsulates the odor causing molecules, eliminating the odor.

Use where added fragrances are not wanted when controlling odors:

- Hospitals
- Clinics
- Medical Facilities
- Nurseries
- Long-term Care Facilities
- Physical Therapy Rooms
- Ambulances
- Kitchen/Food Services

Control odors from:

- Incontinence
- Vomit
- Human Waste
- Garbage Cans
- Drains
- Cooking
- Sweat
- Poor Hygiene

Safe in Use:

- Bio-based
- Bio-degradable
- No VOC's
- Fragrance-free
- Dye-free
