POWER-MAX Daily Descaling and Cleaning Wipes

H056 POWER-MAX Daily Descaling and Cleaning Wipes are the quick, easy and safer way to wipe away scale, lime, soap scum and water spots from most hard surfaces, including...

- Around decorative fountains
- Shower and tub enclosures
- Fiberglass and glass doors
- Drinking fountains
- Sinks and fixtures
- Coffee makers
- Countertops
- Pool areas
- UV lenses
- Hot tubs

H056 POWER-MAX Daily Descaling and Cleaning Wipes feature Earth Smart® Acid Technology:

- That dissolves calcium carbonate scale two to three times faster than conventional acid products.
- That is much milder to steel, aluminum and skin than conventional acids used in bathroom cleaners.
- That is phosphate-free and contains no VOCs.

DIRECTIONS FOR USE:

1. To activate, dampen wipe with water.
2. Wipe the surface using the rough side of the product.
3. Rinse surface thoroughly with water.

DO NOT USE THIS PRODUCT on chrome, stainless steel, galvanized, magnesium or similar surfaces. Always pre-test unknown surfaces for compatibility before using.

Highly Concentrated and Not Intended for Consumer Household Use
