

BIO BRIGADE ODOR LASER is a natural, bio-based formulation that will knock down even the toughest odors and eliminate them at their source. This formulation meets United's Earth Smart® certification and is formulated to be safer in use for both the users and the environment.

BIO BRIGADE ODOR LASER does not mask and hide odors with heavy fragrances. It works by chemically bonding with odor causing molecules to eliminate them, leaving behind the light scent of the natural ingredients which doesn't linger.

United 229:

- Low VOC's
- Lower in Toxicity
- Bio-based
- Earth Smart® Certified
- NPE-free
