

HAND-D-WIPES Hand Sanitizer is a highly effective skin sanitizing formula that can be put to use in any facility where germs and cross-contamination are a concern; particularly where soap and water are not available.

- Alcohol Free.
- Formulated with Aloe, Glycerin and the antioxidant Vitamin E to moisturize the skin.
- This effective formula cleans hands while killing bacteria.
- Soft fabric is gentle on the skin.
- Board certified dermatologist tested & approved as a non-sensitizer nor irritant to skin

DIRECTIONS FOR DISPENSING

1. Remove lid by lifting upward. Remove foil seal.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.

DISPOSAL: Offer empty container for recycling. If recycling is not available, discard container in trash. Discard towel in trash after use. Do not flush.
